CHAPERONES

Student supervision and discipline are the responsibility of the group leader. The Frank Slide Interpretive Centre requires a minimum of one (1) adult chaperone for every eight (8) children. Teachers and supervisors must remain with their groups at all times. Please be sure parent supervisors are aware of their responsibilities as chaperones.

- The role of every adult chaperone is to assist with childcare, meal delivery and clean up (if necessary) and to communicate individual and group needs or problems to Sleepover staff.
- Chaperones are in a supervisory role while at the Centre and other locations included in the scheduled itinerary. Frank Slide Interpretive Centre staff members are not responsible for the basic disciplinary needs of your group. Any damage caused to the Centre or surrounding area will be charged to the responsible group.
- Adult chaperones are responsible for ensuring that all areas of the Centre used by the group are clean and neat upon the group's departure.
- Unacceptable behaviour or failure to comply with the Centre's rules and regulations may result in the group being asked to leave. No refund will be made to the group in this case.
- One chaperone with the group is to be designated as the First Aid Person for the group. This person will be responsible for decisions regarding sick and/or injured participants. Any cost related to a sick and/or injured participant is the responsibility of the participant's parent or guardian and/or the group's leader.

ARRIVAL AND DEPARTURE

- Planned arrival time for Sleepovers is 5:00 p.m. We try to maintain a flexible schedule and atmosphere, but **arriving late will likely result in us having to alter your scheduled activities.**
- Please contact the Frank Slide Interpretive Centre (403-562-7388) as soon as possible if you find your group's arrival will be delayed.
- If your group plans to be in the area of the Frank Slide Interpretive Centre earlier in the day, there are sights and activities in our community you may wish to enjoy before coming to the Centre to begin your program. The Frank Slide Interpretive Centre staff will be happy to talk to you about available options.
- Final departure time from the Centre is usually following lunch at 12:30 pm on Day 2. However, the group will have packed up and removed all of their belongings from the Centre and stored them in your vehicle(s) prior to breakfast. We ask that chaperones make certain the bathrooms and sleeping areas are neat and clean after personal and sleeping gear has been removed.
- Lunch is the final activity prior to departure. Lunch can be eaten at the Centre (inside); at the Centre's picnic area (outside); eaten while travelling; or at another location.
